Subject: Internship Onboarding Letter – Social Media AI Content Creator Intern

Dear Priyanka,

We are delighted to officially welcome you to Seven23AI Private Limited as a Social Media AI Content Creator Intern. Your selection reflects our belief in your creativity, passion, and potential to contribute meaningfully to our mission of transforming digital marketing through AI-powered innovation.

At Seven23AI, we strive to build a work culture where young, dynamic minds collaborate to create impactful digital experiences. As an intern, you will be working closely with our content and creative team, gaining hands-on exposure to real-world brand-building strategies, AI-powered tools, and industry-specific workflows.

This letter outlines the internship objectives, responsibilities, learning opportunities, policies, and certification framework that will guide your journey with us.

About Seven23AI

Seven23AI Private Limited is an AI-powered digital solutions company dedicated to helping businesses elevate their digital presence through automation, creativity, and intelligence.

Our flagship product, AI Contentflows (ACF), is an AI-driven social media automation platform designed specifically for F&B brands, personal brands, and consumer-focused businesses. It enables brands to:

- Create AI-generated static posts
- Design AI-powered video campaigns
- Schedule and manage cross-platform social media content
- Leverage ready-made templates for menus, offers, and campaigns
- Integrate data-driven insights for improved customer engagement

Through this internship, you will gain hands-on exposure to AI-driven digital marketing workflows and actively contribute to projects involving real client campaigns.
